An address will follow the resolutions. Also made by Miss Mabel Fisher of Washington, D. C. Admission 15 cents.

Q. A large number of people from this town, drove to Tiverton on Thursday to enjoy one of Mrs. Philip Grinnell's clambakes. The lake was fine and must have been one of her very best. They are not only well cooked but are served very nicely making them still more enjoyable.

The camp meetings have been well attended thus far, but are not crowded as yet. Their influence may be a benefit to some, who might not be reached in any other way.

The Sunday school of St. George's church, Newport, held their annual picnic at Vancleave on Wednesday last. They certainly selected a very pleasant spot. This farm was formerly owned by the parents of Rev. Dr. Gilliat, the rector of St. George's.

Mr. Bart Patterson, of Boston, is spending his vacation at St. Mary's Rectory.

Mrs. Isaac P. Durfee of Worthington, Minn., formerly a resident of this town, is spending a month with relatives here. Mrs. Durfee, with her family, removed to the West about twenty years ago and this is her first visit to the East.

The Sherman Act will be Repealed. The Washington correspondent of the Commercial Bulletin considers that the President's Message has gone a long way towards insuring prompt repeal of the law. The silver Democrats seem to feel the pressure of the business community and are unlikely to indulge in dilatory tactics. It is pretty certain that of the 221 Democrats at least a clear majority will vote for repeal. The number of Republicans likely to vote the same way is 110, so that at least 221 votes will be cast for repeal and only 135 will be left in opposition.

In the Senate there is no reason to doubt that if the silver men will permit a vote there is a clear majority for repeal. The numbers would stand 48 for and 37 against with three vacant seats. The larger the majority given for repeal in the House, the larger will be the influence on the Senate. The prospects are favorable for prompt action.

For three weeks I was suffering from a severe cold in my head, accompanied by pain in the temples. My's Cream Balm was recommended to me. After only six applications of the Balm every trace of my cold was removed. Henry C. C. Clark, New York sprayer's Office.

## KICKAPOO INDIAN SAGWA

Why it is The Safest Liver and  
Stomach Remedy Known.

Indians Have No Knowledge of  
Mineral Drugs and Poisons—  
They Cure With Roots and Herbs  
of the Field and Forest.

Kickapoo Indian Sagwa is a remedy  
that many claim will almost raise the  
dead.

Sagwa is the  
remedy upon  
which the In-  
dian relies at  
all times and  
seasons.

Sagwa gives  
strength, tones  
the appetite,  
purifies and en-  
riches the blood,  
and is the great-  
est liver, stom-  
ach and blood  
renovator ever  
known to man.

Greater and  
greater than all  
this is the fact  
that Indian  
Sagwa is a  
remedy which  
contains  
nothing harmful,  
no mercury, no  
strychnine, no  
blamuth, no arsenic,  
nothing but the  
leaves, berries and  
roots of the field  
and forest which  
the Indian has  
learned to use.

Indians know nothing of those harm-  
ful drugs, and could not use them if they  
would.

This fact is important.  
The medicine you take into your system  
should be to strengthen and build it up,  
not merely to stimulate it, and add the  
fuel of poison to the consuming flames of  
disease.

Indians don't have Dyspepsia, yet they  
eat anything and everything, at all times  
and under all conditions.

Indians don't have Malaria, yet they  
live in damp places, and frequent changes  
are quite common to their mode of life.

Yet both these ailments and many others  
that the red men never have are frequen-  
tly found among white people.

How is it with the Indian?  
Knowing the value of Kickapoo Indian  
Sagwa he keeps it constantly with him  
and when his system feels run down,  
needs toning up, as we say, the Indian  
takes a few doses of Sagwa.

He keeps well.  
He don't wait until danger overtakes  
him, but craftily watches for its approach  
and wards off the attack.

Here is a lesson to profit by.  
Kickapoo Indian Sagwa,  
made by the Indians from roots, herbs and  
bark of their forest growing and curing, is  
obtainable of any druggist, at one dollar per bottle; or  
sent by mail for five dollars.
